Introduction

Newton Schools pride ourselves on being ‘an international community of learners striving for excellence and celebrating success’. This is evident from the huge variety of nationalities within the staff community and families in our schools. Using the British National Curriculum, we aim to engage all children and promote a life-long love for learning.

NEWTON GROUP OF SCHOOLS

As staff, we are always looking to develop, and all of our schools within the group provide a wealth of opportunities for professional development. Whether arriving as a newly qualified teacher or one with a variety of experience, we aim to ensure your qualifications are kept up to date in today's dynamic, ever-changing world. Schools within our group offer the chance to complete the Early Career Teacher (ECT) Programme, formerly known as NQT programme which is funded by the school. During this ECT Programme you will be assigned a mentor to provide one to one support and feedback and arrange individual focussed training. All training will be provided and no previous experience is needed to apply.

Extra Curricular Activities
