A-Level Qualifications

---

St Mary's University College is proud of its reputation as a specialist, distinctive and high performing institution of higher education. It offers a friendly, welcoming environment where staff and students work together, and the students are at the core of everything.

St Mary's offers degree programmes in Initial Teacher Education (Primary and Post-Primary), and in Liberal Arts. It is also a leading centre for teacher education in the Irish medium. The Bachelor of Education (BEd) degree programme leads to a professional qualification to teach in schools. The Bachelor of Liberal Arts (BA) opens up a wide variety of career opportunities in different fields.

St Mary's enjoys an excellent partnership with Queen's University, Belfast in which the College is autonomous but, at the same time, enjoys a close relationship of collaborative provision with this high status Russell Group university. The College has a good profile of international student mobility with students often choosing to complete part of their degree programme at partner universities abroad. The College welcomes students from all sections of the community and works for the development of the whole person through an emphasis on great pastoral care.

# St Mary's offers three full-time undergraduate programmes:

## BEd (Hons) Primary Degree Programme (Primary School Teacher)

**Duration:** 4 years.

**Outcome:** Graduates are fully competent, reflective teaching professionals.

**Degree structure:** 5 strands:

- **Education Studies**
- **Key Skills**
- **Professional Development and School Experience**
- **Curriculum Studies**
- **Subject Study and Subject Application**

**Main subject study:** Choice of 8 subjects (English, History, Irish, Mathematics, Music, Physical Education, Religious Studies, or Science).

**Optional course:** Students can also study the 3-year Religious Education Programme required for teaching certification in Catholic primary schools, which also allows teaching of RE in post-primary schools.

**Prerequisites:** Minimum GCSE grade C (or equivalent) in English Language, Mathematics and Science.

**BEd interview:** Entry to the programme depends on a successful interview.

## **BEd (Hons) Post-Primary Degree Programme (Post-Primary School Teacher)**

- Duration:** 4 years.
- Outcome:** Graduates are fully competent, reflective teaching professionals.
- Degree structure:** 4 strands:
- **Education Studies**
  - **Key Skills**
  - **Professional Development and School Experience**
  - **Subject Study and Subject Application**
- Main subject study:** Choice of 4 main subjects (Business Studies, Mathematics, Religious Studies, or Technology & Design).
- Subsidiary subject:** Choice of English, History, ICT, or Science. Applicants for English or History should normally have studied English or History to GCSE level (or equivalent) where a minimum of grade B is expected. Applicants seeking to take the Science subsid should have an AS-Level Science subject (or equivalent) grade C. Applicants for Technology & Design will have ICT designated as their subsidiary subject, for which there is no GCSE level requirement.
- Optional course:** Students can also study the 3-year Religious Education Programme required for teaching certification in Catholic primary schools, which also allows teaching of RE in post-primary schools.
- Prerequisites:** Minimum GCSE grade C (or equivalent) in English Language and Mathematics.
- BEd interview:** Entry to the programme depends on a successful interview.

## BA (Hons) Liberal Arts Degree Programme

<b>Duration:</b>	3 years.
<b>Outcome:</b>	Graduates gain a multi-disciplinary degree that can lead to postgraduate study or a range of employment opportunities in both the public and private sectors as well as the community, voluntary and charity sectors.
<b>Degree structure:</b>	3 strands <ul style="list-style-type: none"><li>○ <b>Human Development Studies</b></li><li>○ <b>International Studies</b></li><li>○ <b>Subject Study</b></li></ul>
<b>Main subject study:</b>	Choice of 6 subjects (Business Studies, English, History, Irish, Physical Education, or Religious Studies).
<b>Prerequisites:</b>	Minimum GCSE grade C (or equivalent) in English Language and Mathematics.

# Applicants Presenting A-Level Qualifications

All applicants must pass three A-Levels.

Two Advanced Subsidiary (AS) GCE qualifications will not be acceptable in place of one A-Level.

The applicant's GCSE profile may also be considered.

## BEd (Hons) Primary Subject Requirements

	A-Level Subject Requirement	
ENGLISH	A in English Literature	
HISTORY	B in History	
IRISH	B in Irish	
MATHEMATICS	A in Mathematics	
MUSIC	B in Music or acceptable alternative	N1
PHYSICAL EDUCATION	No specific subject requirement	
RELIGIOUS STUDIES	A in Religious Studies	
SCIENCE	B in Biology, Chemistry, Physics or Life Sciences (CCEA)	N2

- N1.** All applicants for Music should have a Grade 6 standard (or equivalent) in instrumental or vocal study. Where applicants are not presenting GCE A Level Music or equivalent, a combination of both GCSE Music (grade C or above) and Grade 5 Music Theory or Grade 7 standard (or equivalent) in Instrumental or Vocal Study and Grade 5 Music Theory will be accepted.
- N2.** Applicants for Primary Science should normally have B Single Award Science at GCSE Level or a minimum of GCSE grades BBC in Biology, Chemistry and Physics.

# Applicants Presenting A-Level Qualifications

Questions regarding entry qualifications not listed in this brochure should be directed to the Academic Registry prior to submitting an application:

[www.smucb.ac.uk/admissions](http://www.smucb.ac.uk/admissions)

## BEd (Hons) Post-Primary Subject Requirements

	A-Level Subject Requirement	
BUSINESS STUDIES	B in Business Studies or Accounting or Economics	N3
MATHEMATICS	B in Mathematics	N3
RELIGIOUS STUDIES	A in Religious Studies	N3
TECHNOLOGY & DESIGN	C in Technology & Design or Art or Computing or Physics or a related subject. Applicants not presenting A level Technology & Design must have a GCSE grade C in Technology and Design.	

**N3.** Applicants for the Science subsidiary subject should note that alternative qualifications such as an A2 Environmental Technology will be considered for entry.

# Applicants Presenting A-Level Qualifications

## BA (Hon) Liberal Arts Subject Requirements

	A-Level Subject Requirement
<b>BUSINESS STUDIES</b>	No specific subject required
<b>ENGLISH</b>	C in English Literature
<b>HISTORY</b>	No specific subject required
<b>IRISH</b>	C in Irish
<b>PHYSICAL EDUCATION</b>	No specific subject required
<b>RELIGIOUS STUDIES</b>	C in Religious Studies

## Applicants Presenting BTEC/OCR/AQA Level 3 Qualifications

Please note that any combination of A Level, BTEC, OCR, Cambridge Technical or AQA Applied General Extended Certificate will normally be considered for the BEd (Hons) degree. However, an A Level in the subject applied for will be required. There are no restrictions on the number of these qualifications presented for application to the BA (Hons) Liberal Arts degree. The College will consider BTEC/OCR/AQA Applied General qualifications as equivalent to GCE A level.

# Why Study at St Mary's?

## Welcoming, Friendly Atmosphere

St Mary's has a real community feel about it and is a place where students are at the core of everything. Our students say that they feel genuinely cared for and supported in their studies and that they are not just a number.

## St Mary's is a college of Queen's University

Students have access to the facilities of both campuses such as the McClay library and the PEC. Students also graduate with a degree from Queen's which is a member of the Russell Group.

## Fantastic Services for Students

At St Mary's our students come first, so we offer academic, pastoral, and financial support as well as great IT and Library services, a Writing Centre, a Careers Service, and the Students' Union.

## Subject Study

The College is a place where students can study a subject that they love and they can combine this with a professional qualification such as teaching. Alternatively, they can choose to study a subject in combination with the diverse and interesting modules within Liberal Arts such as politics, ethics, philosophy, economics, or international studies.

## Small Classes

At St Mary's the small classes means that it's easy to get to know the other students and the lecturers. In each class there is an excellent student-tutor ratio which allows timely feedback on assignments and quick access to help when needed.

## Excellent Teaching

The enthusiastic lecturers are very knowledgeable and have interesting, interactive styles of teaching.

## Social Life

Everyone knows everyone at St Mary's which makes for a great social life. The Students' Union organise legendary nights out and offer many services to assist students with welfare, accommodation, and financial advice.

## Clubs and Societies

There are a great range of College Clubs and Societies, so there's something for everyone at St Mary's. The sports teams have a fantastic success rate for a small college, and everyone gets a chance to play.

## Study Abroad

There are several Study Abroad opportunities including students taking a full year at a college in USA to shorter study periods with one of our partner universities in Europe.

## Work Placements

The College offers students several opportunities to gain valuable work experience during their degree programme. Students can gain knowledge and skills in a variety of sectors that really prepare them for the world of work. There's also careers advice tailored to individual need.

## Location

St Mary's is located in the Gaeltacht area of West Belfast adjacent to the Royal Victoria Hospital. The city centre is only a five-minute journey on the new Glider service.

## How to Apply

All applications must be made directly to the College as St Mary's is not a member of the Universities and Colleges Admissions Service (UCAS). Online application forms can be accessed using the QR Code below.

The Application deadline for undergraduate degree programmes is Wednesday 21<sup>st</sup> January, 2026.

St Mary's welcomes applications from students with specific needs. The College's disability policy outlines its commitment to make every reasonable effort to accommodate a student with a disability, long-term medical condition, or specific learning difficulty. To find out more contact:
