Computer User’s Agreement

A. In consideration of being allowed to use the computing facilities and services ("the resources") of St Mary’s University College, I have read and agree to observe the Rules of Use.

B. I agree that if, in the opinion of such person or persons as may from time to time be appointed by the College for this purpose, my use of the resources contravenes any provision in this agreement, or is in breach of any rules in force for the time being, the College may summarily withdraw my access to the resources. Any dispute arising from such action by the College, or arising from other provisions of this agreement will be handled under the appropriate disputes and appeals procedure within the College.

C. Other than as provided in the Data Protection Act 1998:
   
a. The College accepts no responsibility for the malfunctioning of any equipment or software, nor failure in security or integrity of any stored program or data.
   
b. No claim shall be made against the College, its employees or agents in respect of any loss alleged to have been caused whether by defect in the resources or by act or neglect of the College, its employees or agents.

D. This agreement is supplemental to the general practice and regulations of the College.

E. Subject to Paragraph B above, my use of the resources under this agreement is limited to my period of enrolment at the College or four years from the date of this agreement whichever is the shorter.
